

Job Description

Job Title: Media designer – visual media & graphics.

Date: ASAP

Reporting to: Communications Manager

Location: Hybrid

Overview

Prioclen LTD is a fast-growing Nigerian based management consulting firm with its head-quarters in Abuja Nigeria. We have a forte in providing strategic consultancy and advisory services to organizations- private, governmental and individual firms, by creating and integrating information technology solutions to enhance their service delivery and ensure sustainable growth and development in niche-based brands to these individuals/ organizations.

Purpose

We are seeking a talented multimedia designer to join our graphic design team. As a multimedia designer, you will be working closely with our in-house graphic designers and software programmers to design and produce high-end visual, textual, and animated content for our website.

To ensure success, you should have a background in digital design, excellent communication skills, and the ability to collaborate on projects. Ultimately, a top-notch multimedia designer is someone whose visual design skills translate into high quality animated content that engages website view

Responsibilities:

- Meeting with stakeholders to determine the project scope.
- Conducting research on media techniques and design ideas.
- Developing multimedia content ideas in collaboration with graphic designers, visual designers, and software programmers.
- Designing and producing attractive multimedia content according to website specifications.
- Creating digital images, video animation, and textual animations.
- Creating original artwork for digital image processing.

- Creating animated sequences using computer animation software.
- Recording, editing, and encoding audio files.
- Performing media edits bases on user feedback.

Requirements:

Essential

- Bachelor's degree in graphic design, digital design, film, or a related field.
- 2-4 years' experience in a similar role.
- A complete portfolio of multimedia design content showcasing your skills and experience.
- In-depth knowledge of software design programs such as In Vision, Adobe Creative Suite, and Sketch.

Skills

- Ability to collaborate on long-term projects.
- Excellent knowledge of storyboarding, visual design principals, and animation.
- Artistic with a keen eye for aesthetics and visually appealing content.
- Good communication and interpersonal skills.
- Basic knowledge of web publishing software.

Summary Terms and Conditions

Contract: 12-month fixed term contract

Salary: Very Attractive

Annual leave: 22 days holidays per annum pro rata excluding public holidays

Pension: Minimum 10% Employer contribution with minimum 8% Employee contribution

Healthcare: Company scheme subject to terms and conditions.

Life assurance: Company life assurance scheme.

Location: Abuja Nigeria.

Notes: This post will be subject to background checks. A full statement of the main terms and conditions of employment will be supplied with any formal offer of employment. This job description does not form part of your contract of employment

How to apply
